Invitation to subscribe to Soils and Foundations

Soils and Foundations (S&F) is your core geotechnical journal; it has been the official journal of the Japanese Geotechnical Society (JGS) since 1960. S&F has been available online since the February 2012 issue in partnership with Elsevier. The online one-year delayed 'open access' availability of S&F is possible via ScienceDirect. **Note that Elsevier is responsible for the production and hosting of the Journal. S&F is not included in any journal package by Elsevier.** Only subscribers can access the full text of all articles immediately after they are published. The online subscription fee is 8,000 JPY/year. Please see the subscription details on the JGS web site (<https://www.jiban.or.jp/e/soils-foundations/subscription-information/>).
